## November Newsletter from the

November 2020

It is amazing that I am starting my second year as third vice president even though we have not had a convention in that time. It has been a tumultuous year and we have no idea when this year will really end.

The biggest news from our November 1<sup>st</sup> Executive Committee meeting is probably that Dave will soon be retiring from his day job, our association is cautiously financially stable, and we will not delay awards for a second convention. We will find a way no matter what the circumstances.

As a boy growing up in North Dakota I rode in the tractor with family members and started learning the lessons of farming.

One of the first lessons I was taught is that when one of your neighbors is stuck you drop everything you're doing and go help them out.

It is the right thing to do and you never know when you will be stuck and need the same assistance.

Later in my teens, I recall another farmer telling me that farmers are al-

ways willing to help each other out. It may be with advice, equipment, or even some type of farm rescue and that, really is unique.

He said that farmers are competitors because they are always trying to have the best prices, bushels, and quality they can.

I have thought about this a lot over the years and I think it is also true of coaches. We attend clinics where we glean information from great coaches and then we visit with the coach down the road and learn more about the idea.

We share video of our opponents and even ourselves. We discuss ALL State Players, All-Star Players, the Coaches of the Year.

We see many different coaching styles and methods and evaluate their effectiveness. We are on varying boards, committees, and hold vastly different positions within our schools, associations and communities.

You would think that all these different views and opinions would make it very difficult for us to work together, heck we really do compete against each other.

But it is one of the things I love about being a coach and being part of this association is that we do work together, and we do it well, having come together from all over the country.

I recently heard our Executive Director say that he had not seen as much work done outside the convention since he has held his position. Nearly everyone is contributing a large portion of their time, money and talents and they are doing it because they care so much about coaching, other coaches, and their athletes.

I often teach my students that most textbooks say that there are five elements that are required in order to have a democracy.

(The Fundamental Worth of the Individual, Equality of all Persons, Majority Rule and Minority Rights, the Necessity of Compromise, and Individual Freedom) These elements require a democracy's citizens to be of **good moral character**.

Where do we get this morality? For hundreds of years, it has come from our religions.

I usually then ask my students, and what is it that you see happening to religion in our country? .....Is it a surprise that several of our founding fathers had written that they did not expect a democracy to last much more than two hundred years? Sorry, I had to delve into politics it's that time of year.

It is also that time of year to be thankful and I am. One of the reasons I am thankful is that we have all of you working for our association with very little recognition and in fact with a purpose of recognizing others. I am proud because even though our youth now have very little exposure to morality. There is still one place they get it.

They get it in our playing arenas because you and other coaches like you are exposing it to them every day.

So, maybe our democracy is yet in good hands and maybe our posterity will be able to work together and get along even though they are competitors and have differences of opinion. Maybe the reason has everything to do with you!

Tim Wallstrum's

Also, inducted into the Hall of Fame is Julie Goodwin, coach at Allen Park.

#### CCCAM MISSION STATEMENT

It is our purpose to provide education, leadership and guidance to all girl's competitive cheer coaches. Therefore, our focus is to enhance and promote the growth of girls' competitive cheer as a sport in Michigan.

CCCAM (Competitive Cheer Coaches Association of Michigan) hosted its annual Summit this year via Zoom!

This year, although physically different than others, still had a great turn out, getting coaches prepared for the season!

It was a packed day filled with

updates, suggestions, techniques, and virtual commodore!

This year we were able to honor the 2020 District, Regional, and State coaches of the year. We also honored, Jessica Trefry, from Michigan Center, as the 2020 CCCAM Coach of the Year.

Michigan High School Coaches Association Distinguished Service Award is one of our highest awards for services and contributions to sports in the state of Michigan.

The MHSCA Distinguished Service Award:

MHSCA recognizes individuals and organizations who have provided extraordinary service to educational athletics, the advancement student athletes, coaches, or those who serve interscholastic athletics through its Distinguished Service Awards.

The Distinguished Service Award (DSA) is given to a person (or persons), either volunteer or staff, who have exhibited valuable professional service (within the MHSCA or among its association membership) including academically, supportive, service, or assistance distinction at any level of interscholastic athletics. These criteria are good measures of acceptable candidates and help to assure that recipients have a wide range of "service" that they provide to the profession of interscholastic athletics. Nominations should be submitted on an individual basis, not by a group or on behalf of constituent groups (conferences, affiliates, assemblies, committees, etc.).

The MHSCA Distinguished Service Award does not need to be awarded each year. This award should be bestowed only when the MHSCA Board of Directors committee decides that nominations warrant presentation of the award. This award may be given posthumously.

Why nominate a deserving candidate for the MHSCA Distinguished Service Awards:

- To recognize person who has positively impacted interscholastic athletics in a significant way;
