These nine individuals will be honored as NHSACA coach of the year finals and will have the opportunity to be selected as National COTY. The National High School Athletic Coaches Association the professional organization of school coaches and athletic directors, (NHSACA) will selected one of eight national finalists for Coach of the Year. The award will be presented July 26-29, 2021 Lincoln, Nebraska, at the NHSACA Annual Conference in which over 500 coaches

Jodi Manore-Temperance Bedford & Mike Jolly of Warren De La Salle Collegiate two legendary Michigan high school coaches to be inducted into the National High School Athletic Coaches Association Hall of Fame July 26, 2020 in Lincoln, Nebraska. The National High School Athletic Coaches Association the professional organization of school coaches and athletic directors, (NHSACA) will induct Coach Manore & Coach Jolly along with member states of the NHSACA. The award will be presented July 27th as part of the NHSACA annual conference which takes place July 26th -29th at the NHSACA Annual Conference in which over 500 coaches an athletic directors will participate.

When Jodi Manore was a student at Bedford High School, no athletics for girls were offered. Jodi then went on to Michigan State University where she played on the intercollegiate volleyball team and returned to her alma mater to teach in 1975. Four years later, Jodi took over the young varsity volleyball program at Bedford and quickly made girls athletics a success at Bedford.

Manore never would have guessed she would go on to become not just the winningest volleyball coach in the state, but the winningest coach in the country.

After eclipsing the 2,093-win mark during the 2019 season, in 35 years in charge at Bedford, Manore has 2,093 career wins and a .834 winning percentage (2,093-362-59).

Manore has six Michigan High School Coaches Association coach of the year awards, and in 2016, she was named the national volleyball coach of the year by the National High School Athletic Coaches Association.

Mike Jolly: The long-time teacher, coach and administrator has spent his entire adult life

serving school, church and the athletic community.

Jolly began his coaching career in basketball and football at Mount Clemens shortly after his graduation from the school in 1960.

His 59 years in coaching and administration continues to this day as a member of the De La Salle football staff that guided the Pilots to Division 2 state championships in 2014 and 2018. In addition to four years at Mount Clemens, he

coached football, basketball and baseball at Chippewa Valley from 1965 to 1979; football, baseball and lacrosse and has coached starting in 1982 until the present at De La Salle.

He also was athletic director at De La Salle and since 2006 has been the Pilots' clay target shooting team head coach Jolly graduated from Michigan State with a bachelor's degree in social science and master's degrees in physiology/anatomy/coaching and outdoor education.

Jolly has received many honors and awards, including national awards from the Fellowship of Christian Athletes and United States Lacrosse. In 2017, he received the Peter Kohn Award from FCA for service

above and beyond the call of duty.

He won the Gerry Carroll Award from US Lacrosse in 2012 for exemplary coaching and he was also the organization's National Man of the Year in 2000.

He was the National High School Athletic Coaches Association's boys assistant Coach of the Year in 2011.

2020-21 NFHS National Coach of the Year Honors

Longtime Detroit-area girls tennis coach Judy Hehs has been named one of 23 National Coaches of the Year for 2019-20 by the National Federation of State High School Associations (NFHS) Coaches Association.

Hehs was selected first at the state level and then from among the eight sections that make up the NFHS – Michigan is part of Section 4 with Illinois, Indiana, Iowa and Wisconsin. She previously had been named national Coach of the Year for girls tennis for 2014-15

Judy

Hehs coached girls tennis at Bloomfield Hills Academy of the Sacred Heart from Fall 1996 through Spring 2019 and served as co-coach of six MHSAA Lower Peninsula Division 4 championship teams over her last eight seasons with the program. She was slated to coach the girls team at Wixom St. Catherine in Spring 2020, but that season was canceled due to COVID-19. She also coached Sacred Heart's varsity girls basketball team from 1988-95 and two sports at Detroit Country Day – field hockey in fall 1987 and then junior varsity boys tennis (while also serving as the varsity assistant) from spring 1988-2000. Hehs was inducted in 2015 into the Michigan High School Tennis Coaches Association Hall of Fame and her girls tennis teams have a record of 169-80-18. She

is principal at Wixom St. Catherine and in her 34th year as an educator.

"Let me share my 'why do I coach' philosophy: Do I coach to 'give back?' Do I coach to 'make a difference?' Do I coach because I 'love it?' I coach for all those reasons and more. The tennis court is my classroom now; it's the place where I can teach tennis and valuable life lessons. The challenge isn't in making great tennis players. It is about building great people. And building great people doesn't mean we're looking at wins and losses. Don't get me wrong, winning is great and fun and helps to build a great team and program. But there is no better place than a tennis court to teach real life lessons – lessons about work ethic, teamwork, problem solving, independence, and the moment when effort turns into belief and belief turns into accomplishment. Athletics is a vehicle to becoming a better version of one's self. I believe that participating in athletics can change lives, and not just the lives of the athletes whom we coach, but also the person whom we become through coaching. I had coaches in a variety of sports from elementary school through college who inspired me and motivated me to become a better version of myself. Every time I step on that tennis court, I hope to be that person in the lives of my players who inspires and motivates, and helps them become better versions of themselves. That's why I coach."

The NFHS, which has been recognizing coaches through an awards program since 1982, honors coaches in the top 10 girls sports and top 10 boys sports (by participation numbers), and in two "other" sports – one for boys and one for girls – that are not included in the top 10 listings. The NFHS also recognizes a spirit coach as a separate award category. Winners of NFHS awards must be active coaches during the year for which they receive their award. This year's awards recognize coaches for the 2018-19 school year.

The NFHS has a contact in each state who is responsible for selecting deserving coach award recipients. This person often works with the state coaches' association in his or her respective state. He or she contacts the potential state award recipients to complete a coach profile form that requests information regarding the coach's record, membership in and affiliation with coaching and other professional organizations, involvement with other school and community activities and programs, and coaching philosophy. To be approved as an award recipient and considered for sectional and national coach of the year consideration, this profile form must be completed by the coach or designee and then approved by the executive director (or designee) of the state athletic/activities association.

The next award level after state coach

of the year is sectional coach of the year. The NFHS is divided into eight geographical sections. They are as follows: Section 1 – Northeast (CT, ME, MA, NH, NJ, NY, RI, VT); Section 2 – Mideast (DE, DC, KY, MD, OH, PA, VA, WV); Section 3 – South (AL, FL, GA, LA, MS, NC, SC, TN); Section 4 – Central (IL, IN, IA, MI, WI); Section 5 – Midwest (KS, MN, MO, NE, ND, SD); Section 6 – Southwest (AR, CO, NM, OK, TX); Section 7 – West (AZ, CA, HI, NV, UT); and Section 8 – Northwest (AK, ID, MT, OR, WA, WY).

The NFHS Coaches Association has an advisory committee composed of a chair and eight sectional representatives. The sectional committee representatives evaluate the state award recipients from the states in their respective sections and select the best candidates for the sectional award in each sport category. The NFHS Coaches Association Advisory Committee then considers the sectional candidates in each sport, ranks them according to a point system, and determines a national winner for each of the 20 sport categories, the spirit category and two "other" categories.

A total of 806 coaches will be recognized this year with state, sectional and national awards.

Also joining Judy for NFHS honors for the state and sectional levels are 10 other Michigan coaches. Please see posting below.

Ted Schroeder - NFHSACA

Even though interscholastic athletics may garner an extraordinary amount of attention from spectators at given times, it is important to remember that these programs exist to prepare young men and women for the next level of life, not the next level of sports. What would your choice be if given the opportunity, either to help produce a handful of elite athletes, or to produce hundreds of thousands of productive citizens who will become our future business and civic leaders?

February Newsletter from the

Greetings to everyone!

Yes, I am writing another February newsletter.

The year has brought many challenges and changes in our lives.

Of course the NHSACA is trying to move on as best we can on our path to award those who have earned and achieved many high standards.

We also want to provide resources and education that will allow the rest of us to chase those achievements and help our young athletes to be successful.

As most of you are aware, in the past month we lost a coaching legend, Max Hawk.

As Dave Dougherty said, "Max was a pillar of NHSACA and of the SDHSCA." He was a face and voice for both in his career with both associations.

There will be a lot of Max Hawk stories told in the days and conventions to come.

Think about Max and something you remember about him and use it to help you in this profession.

Mine will be to never back down to a challenge. Condolences to his family. I would like to welcome Robert Murphy as the new wrestling sports chair.

Thank you Robert for joining our board, and we look forward to your involvement with NHSACA. Dave has been doing a

great job of sending out the information for the summer convention and awards banquet.

He is the person to talk to regarding NHSACA. The 2021 NHSACA National Convention will be hosted at the Lincoln North Star H.S. from July 25-29.

The first meetings will begin on Sunday, July 25, at 1:00 p.m.

The poem recited by Amanda Gorman at the Super Bowl was about sports and life.

I wanted to read it again, and the more that I read, the more I thought it pertained to coaches and our association. Chorus of Captains by Amanda Gorman Today we honor our three captains For their actions and impact in A time of uncertainty and need.

They've taken the lead, Exceeding all expectations and limitations, Uplifting their communities and neighbors As leaders, healers and educators.

James has felt the wounds of warfare, But this warrior still shares His home with at-risk kids.

During Covid, he's even lent a hand Live-streaming football for family and fans.

Trimaine is an educator who works nonstop, Providing his community

with hotspots, Laptops and tech workshops, So his students have all the tools They need to succeed in life and in school.

Suzie is the ICU nurse manager at a Tampa hospital. Her chronicles prove that even in tragedy, hope is possible.

She lost her grandmothers to the pandemic, And fights to save other lives in the ICU battle zone, Defining the front line heroes risking their lives for our own.

Let us walk with these warriors, Charge on with these champions, And carry forth the call of our captains! We celebrate them by acting With courage and compassion, By doing what is right and just. For while we honor them today, It is they who every day honor us.

The poem inspires people to be captains in life. As coaches we are teaching and modeling life skills through sports.

The executive committee includes the following: Executive Director Dave Dougherty, President Ted Schroeder, State Executive Director Representative Darin Boysen, 1st Vice President Rocky Ruhl, 2nd Vice President Justin Davie, 3rd Vice President Tim Wallstrum, and Past President Joe Cliffe.

Please contact any of these people with suggestions to help improve our association. Respectfully, Rocky Ruhl

Michigan Interscholastic Track Coaches Association

What is MITCA?

The Michigan Interscholastic Track Coaches Association (MITCA)

is a coaching organization with a membership of approximately twelve hundred, track and field and cross country coaches.

Founded in 1959, MITCA operates under a set of by-laws and is dedicated to the education and recognition of the athlete and coach.

This is achieved through several programs:

EDUCATION

Cross Country Clinic – annually held during the second weekend of November, this clinic typically draws four hundred cross country coaches to hear noted clinicians speak on a variety of topics.

Track and Field Clinic – annually held in February, this clinic typi-

cally draws up to nine hundred track and field coaches to hear noted clinicians speak on a variety of topics.

MITCA Newsletter – published quarterly includes meet results and articles of interest covering news, training tips, etc.

Team Michigan – in the fall, a group of ten senior boys and ten senior girls qualify to run and are sponsored by MITCA in the Mid-East Meet of Champions held in Ohio, competing against teams from several surrounding states. In the spring, a track team of senior boys and girls are sponsored by MITCA to compete in the Mid-West Meet of Champions.

Free Membership – in the Michigan High School Coaches Association, including supplemental liability insurance.

RECOGNITION

All-State – The top thirty runners in each boys and girls division race in cross country and the top eight finishers in each event in track and field are awarded a MITCA All-State Certificate.

Academic All-State – Top finishers in cross country and track and field, in each division, meeting a minimum grade point average receive a certificate honoring their athletic and academic accomplishments.

Coach of the Year – four boys' team coaches and four girls' team coaches from each of four divisions are nominated for Coach of the Year honors. A membership vote selects the COY (XC coaches must be members by Oct.1; TF coaches by May 1).

Assistant Coach of the Year and Middle School Coach of the Year – awarded to those nominated by their head coach.

15/25 Year Recognition – as coaches reach these career benchmarks, they are recognized at the cross country and track & field clinics, each receiving a certificate.

Patsy Arpeno Scholarship – two five hundred dollar scholarships are awarded via random draw to children of MITCA members in college.

"Mr/Ms Track and Field" and "Mr/Ms Cross Country" Awards

Track & Field and Cross Country "Dream Teams"

Hall of Fame – MITCA selects up to four coaches per year to be inducted into the MITCA Hall of Fame.

Additionally, each year a cross country and a track and field coach are recognized for life time achievement via the Ambrose and Sweeney awards respectively.

POLITICAL

MITCA works to develop new ideas, and the rules necessary to create the best athletic experience for those boys and girls who participate in the sports of cross country and track and field. Because MITCA is not the governing organization for high school athletics, these ideas and rule suggestions are taken to the MHSAA for consideration. The flow-chart below dia-

MHSCA PURPOSE

The objective of the Michigan High School Coaches Association shall be to render service to the education of our youth through

Fostering development and improvement in Michigan interscholastic athletics.

Securing a better understanding of the concerns of coaches and placing at their disposal, sources of information for education and development.

Serving a representative group of coaches to which athletic concerns of general interest may be referred, in the hopes of creating better relationships between schools and with the public.

The promotion of good fellowship and social contacts among coaches.

The decision of members to abide by the Code of Ethics as adopted by the MHSCA.

Provide recognition of coaching excellence throughout the state, both through Coach of the Year awards and longevity honors.

MHSCA COACHING RECOGNITION for 15/20/25/30/35/40/45/50 Years

The candidate must have distinguished himself/herself with good coaching ethics and promoted good sportsmanship throughout his/her coaching career.

*The AD or principal's signature confirms this.

Ten (10) years of coaching outside of Michigan may be applied to the application. Coaching at any level may be applied as long

as it is a school sponsored interscholastic sport.

To receive a general coaching certificate the candidate must have been coaching at least one sport per year at any level for the requested number of years.

To receive specific certificates for a single sport the candidate must qualify for the specified number of years in that sport.

This can be at any level. You cannot however count more than one level or season for a sport in any one year.

For example, coaching both

boys and girls basketball during the same school year counts as "1" year; coaching both 7th grade boys and JV boys during the same school year counts as "1" year.

Up to three (3) years may be included for active duty military service which delayed or interrupted an applicant's coaching career.

Awards for 30 years and more (plaque) will have the sports that the candidate coached listed on the plaque.

The coach will be presented only one award for each level of service after 30 years.

Michigan High School Coaches Association Distinguished Service Award is one of our highest awards for service and contributions to sports in the state of Michigan.

The MHSCA Distinguished Service Award:

MHSCA recognizes individuals and organizations that have provided extraordinary service to educational athletics, the including the advancement student athletes, coaches, or those who serve interscholastic athletics through its Distinguished Service Awards.

The Distinguished Service Award (DSA) is given to a person (or persons), either volunteer or staff, who have exhibited valuable professional service (within the MHSCA or among its association membership) including academically, supportive, service, assistance at any level of interscholastic athletics. These criteria are good measures of acceptable candidates and help to assure that recipients have a wide range of "service" that they provide to the profession of interscholastic athletics. Nominations should be submitted on an individual basis, not by a group or on behalf of constituent groups (conferences, affiliates, assemblies, committees, etc.).

The MHSCA Distinguished Service Award does not need to be awarded each year. This award should be bestowed only when the MHSCA Board of Directors committee decides that nominations warrant presentation of the award. This award may be given posthumously.

Why nominate a deserving candidate for the MHSCA Distinguished Service Awards:

- To recognize a person who has positively impacted interscholastic athletics in a significant way.
- To recognize institutions for their affiliation with individuals who demonstrate the highest level of professionalism and commitment to interscholastic athletics.
- To confirm and honor a superior servant by his/her peers and colleagues.
- To celebrate individuals who epitomize the profession's highest standards for interscholastic sports.
- To focus attention on the exemplary, and by doing so to elevate the profession overall and establish a high standard of excellence in promoting, supporting or contributing to interscholastic athletics.
