BCAM Summer Survey results

BCAM administration sent out a survey on the following hot topics in the game of basketball this past summer.

Results are below:

2 more games - 78% of ALL who responded approve, 82% of head varsity coaches approve, 60% of AD's who responded

approve.

Seeding the entire District - 73% of ALL who responded approve, 76% head varsity coaches approve, 70% of AD's who responded approve

35 second shot clock - 68% of ALL who responded approve, 71% of head varsity coaches approve, 50% of AD's

who responded approve.

The ADs will also be surveyed by the MHSAA on these same topics. It will be important that all basketball coaches share their opinion with their administrator.

As much as we as coaches want rules to change, ultimately the decisions will be made by ADs and the MHSAA Representative Council.

Talk to your AD on what you feel is best for our game!

Dan Young
Executive Director
BCAM
Basketball Coaches Association of Michigan

The Michigan Wrestling Association is excited about the 2021-22 wrestling season.

Our sport was able to complete a full season in 2020-21 thanks to the strength of the MHSAA, the MWA Executive Board, Regional Representative, and its members.

The MWA amended its constitution to include a regional board that has 6 regions all with voting rights and

completely changed the way our association operates and communicates with the MHSAA.

The MWA is proud of these changes, and we feel that they played a big role in seeing the 2020-21 wrestling through to completion.

The MWA is also proud to announce that a girl's wrestling division has officially been added to our state association and their state finals will be wrestled alongside the boy

state championships at Ford Field on March 4th and 5th.

The MWA played a major role in getting girls wrestling added and we are excited to see it grow.

Greetings from the Executive Board,

Our executive board has changed its positions and it has done so in an irregular manner because we did not have our convention in 2020. Justin Davie is our president, Rocky Ruhl is our 1st vice president, I am serving as second vice president, Dan Mitchell is our newly elected 3rd vice president, and Ted Schroeder moves up on our roster filling the position of Immediate Past President. Joe Cliffe, who has provided us with unprecedented leadership, has moved into the roster of past presidents.

Our Regional Directors have also had some changes as Becky Mudd from Colorado is now serving as Region VI Director. Sheri Anthony is also assuming most of the duties in Region III to assist Ed Kershner in that position.

Our sports chairs have also had some updates as Kristin McWilliams from Florida is now serving as the Girls' Cross-Country Chair and John Hoch from Wisconsin has now filled the Football Position. Our association extends a hand of gratitude to James Ford and Jeff Bellar for their

past six years of service. The Boys Assistant Coach Sport Chair position is still open at this time.,

We have also added a number of At-Large members. Craig Davis from Georgia, Bill Hiltner from New Jersey, Chris Knudsen and Rob Younger both from Oregon, Glenn Merkle from New Jersey, Joe Martin and Glen West both from Texas, as well as Jay White from Indiana and Jack Wood from Alabama.

Since we met in Lincoln Nebraska, we have added the following associations to the National High School Athletic Coaches Association; The Alabama Football Coaches Association, The Georgia Athletic Coaches Association, The Indiana Association of Track and Cross-Country Coaches, The Oregon Athletic Coaches Association, The South Jersey Coaches of Athletes, and the Texas High School Coaches Association. We will also soon be adding the Southern California High School Soccer Coaches Association.

We have kicked off our updated partnership with Coach and AD

Magazine. As an exclusive offer to the National High School Coaches Association; any state that is a member of the NHSACA will receive a free digital subscription for every individual member of their association. This is a \$9.95 value for every individual coach.

We also launched our partnership with Proactive Coaching. They are writing the NHSACA article that appears in the Coach and AD magazine. We have an exclusive offer through Proactive Coaching that provides these benefits to any school or coach who is a member of the NHSACA. These include \$25.00 for each individual coach to receive Proactive materials through the end of December. A school can also acquire the same deal for every coach in their school for \$125.00. These are tremendous discounts.

It is that time of year to make sure we are getting our State Rosters for the COTY process completed and turned in and then the COTY nominees need to begin completing our forms.

I wanted to leave you with a mes-

sage that I heard on a television show. I often remind my athletes that to be able to play a sport is a privilege. It allows you to step out onto the playing surface and forget the daily grind and to participate with a group of other people who you can share your experiences with as you strive to achieve a unified goal. Athletics has a healing power that changes a person, but it is not just about the athletes. It is a group of collaborators working together to enable a group experience.

We are a catalyst. An enabler of a moment that allows people to transcend themselves. Becoming part of a larger group, not just yourself, is a wonderful experience for an athlete. It is essential to who we are as humans, we are not individuals alone. Much of who we are is what happens when we are together with other people. We were denied much of this experience for a year and a half. It was as if a part of our souls, part of ourselves was cut off from us. We have not been quite whole.

The reaction to the feeling of being whole again is ecstatic. Audiences erupt in spontaneous applause. Not just for the athletes but for themselves, the collective joy they missed. Laughing, cheering and being moved all together. We even felt this way with our NHSACA Team this summer. We felt whole again. Let's hope this can all continue, and we can all become completely human again.

It is a joy and a blessing to be able to serve other people, but it can also be a blessing to allow other people to serve you. May your fall season be full of people you want to share your time with, and may that time prosper you in the ways you hope it will.

Have a fantastic fall season.
