CONVERSATIONS WITH HISTORY

The Executive Board of the MHSLCA and the Hall of Fame Committee are actively trying to preserve as much of the history of lacrosse in Michigan as possible.

MHSLCA Secretary, Greg Normand, has offered us his time and talents in recording videos of our Hall of Fame members. Our long-term goal is to have all of our Hall of Fame members interviewed/video recorded and have their videos placed on our YouTube Channel.

The channel also has some great interviews with the movers and shakers of the national lacrosse world.

If you know of someone that would benefit from the project, please send their contact information to either jdcarl@me.com or gnor-mand7@att.net.

Below are links to all completed interviews by inductee Class.

Just click on the image to go to the YouTube Interview. Also, please note that you can click on the 'Class of ____' above the inductees to go directly to that particular classes' HOF page bio page.

A memorial Tribute

The Michigan High School Coaches Association asks for your assistance so that we can share information about the lives of coaches who are no longer with us as a tribute in memoriam.

Please help us by forwarding as much of the following information as you are able to Jim Okler at [MHSCA1954 @ gmail.com](mailto:MHSca1954@gmail.com).

1. The school/s at which they coached.
2. The sports coached. The years they coached.

The MHSCA will share, when possible, the information with our membership on a regular basis. We hope this memorial tribute will be a meaningful way to help us remember, grieve and celebrate the lives of those coaches lost from our ranks.

Note: As this is a new initiative, frequency and manor of the memorial tribute may be subject to revision.

Michael D. Kennedy, 54, of Auburn Hills, MI, Mike was a 1986 graduate of Brother Rice High School where he excelled at lacrosse and first fostered his love for English and Irish literature, history, and, poetry.

He attended the University of Michigan, Ann Arbor, and served as president and captain of U-M's club lacrosse team.

He was a leading scorer in the Big 10 and received multiple MVP awards.

He then traveled to Great Britain as part of an international lacrosse development program where he helped establish youth teams in Scotland and coached the National Women's B Team in Edinburgh.

While attending law school in Detroit, he continued to coach lacrosse, including at his alma mater Brother Rice from 1995-2003 when the team won six

Catholic League, six State and four Midwest championships. He was well regarded by his players and fellow coaches for his lacrosse knowledge and field-training skills.

Mike's coaching had a positive impact on hundreds of players. Mike graduated with a JD from Detroit College of Law in 1996 and practiced as an attorney in the Detroit area.

He also resumed coaching lacrosse at the youth level from 2005-2011.

Above all Mike was a loving father who was immensely proud of his children.

Greetings NHSACA board!

As January hits, so has inclement weather. Here in the Midwest, we have had snow, ice, and even a blizzard. It was actually the first white Christmas we have had in Iowa in a number of years. Winter sports are hitting their stride as we all start to recover from the holiday food, travel, inconsistent schedules and change in routines.

Of course, even spring sports are peeking their head around the corner letting us know they will be here before we know it.

This time of year is exciting, fulfilling, and joyous. It can also be a difficult time as we experience the holiday season without a friend or loved one either for the first time or even if it's the 50th. The Dougherty and our NHCACA family had our first holiday without Danell.

Dave has expressed many times how cherished and important the messages, thoughts, prayers, cards, and gifts were to him and the family. Thank you to everyone who was able to attend in person, sent cards, or held the family in your hearts. It was ever so clear Danell was a shining light to this world, not just our organization. We all hold the sorrow in our hearts as we miss her but also the happiness of so many memories and her amazing impact on this world.

The deadline for COY applications was pushed back to January 19th. This means the finalists will be announced in early February. Once that happens, registration for all finalists, HOF, and board members will be open. Please don't put this off and make sure to get registered right away! The executive committee will be done with their scoring by early March.

COACHING: verb meaning train or instruct (a team or player). It's only 7 very simple words. It's coaching at its most basic and elemental level. It might be the only thing every coach, at every level, has in common.

Maybe not to the same degree or level, but every coach from youth to professional, has a desire to train and instruct.

But..... coaching is never that simple. It's easy to lose sight of that common goal and forget that basic definition when so much time is spent on travel gear, state shirts, organizing youth programs and finding coaches, filling an open position on your staff, team building, managing personalities, practice plans, scouting, motivating each individual athlete, parents, nominating athletes for post season awards, and the list goes on..... and on.

With so many things demanding our attention, it can be very easy to forget the simple joy and reward in the 7 words that make up the dictionary definition of coaching. I was reminded of this over the holiday break. I coached my soon to be step-daughters in a 3 on 3 basketball tournament.

The first team I coached was 3rd graders, all of whom had never played in an organized game of basketball of any kind and we only had 1 45 min practice.

Our goal was to have fun, learn about basketball, and as one girl added, not to break our noses.

We started the day with 3 of the 4 wanting to sit out first and 1 girl refusing to play and nearly in tears. We ended the day with all 4 girls not wanting to come out while the girl who original-

ly refused to play, turned into the most aggressive player on the court. There were smiles, hustling and learning.

One mom said her daughter was "on cloud 9" after the games. It was coaching at its purest form and I loved every second of it. Nothing extra, just the simple 7-word definition of coaching.

The 2nd team was 6th graders who had played 5 on 5 but never 3 on 3. Although there was a much more competitive atmosphere and more technical instruction, the girls had a great time and their growth as players from game 1 to game 3 was apparent. The joy in winning their pool was great to see and a cherry on top for the day.

No pressure, nothing extra, just coaching at its simplest form. It was extra special for me because we spent the day as a family and I even got to coach with my beautiful fiancé! It was a tremendous day and a great reminder of what coaching is all about, those 7 simple words: train or instruct (a team or player).

I truly hope all is well with each and every one of you!

Yours in coaching,

Justin Davie, Immediate Past President

Michigan High School Coaches Association Distinguished Service Award is one of our high- est awards for service and contributions to sports in the state of Michigan.

The MHSCA Distinguished Service Award:

MHSCA recognizes individuals and organizations that have provided extraordinary service to educational athletics, the including the advancement student athletes, coaches, or those who serve interscholastic athletics through its Distinguished Service Awards.

The Distinguished Service Award (DSA) is given to a person (or persons), either volunteer or staff, who have exhibited valuable professional service (within the MHSCA or among its association membership) including academical-ly, supportive, service, assistance at any level of interscholastic athletics. These criteria are good measures of accepta-ble candidates and help to assure that recipients have a wide range of "service" that they provide to the profession of interscholastic athletics. Nominations should be submitted on an individual basis, not by a group or on behalf of constit-uent groups (conferences, affiliates, assemblies, committees, etc.).

The MHSCA Distinguished Service Award does not need to be awarded each year. This award should be bestowed only when the MHSCA Board of Directors committee decides that nominations warrant presentation of the award. This award may be given posthumously.

Why nominate a deserving candidate for the MHSCA Distinguished Service Awards:

- To recognize a person who has positively impacted interscholastic athletics in a significant way.
- To recognize institutions for their affiliation with individuals who demonstrate the highest level of professionalism and commitment to interscholastic athletics.
- To confirm and honor a superior servant by his/her peers and colleagues.
- To celebrate individuals who epitomize the profession's highest standards for interscholastic sports.
- To focus attention on the exemplary, and by doing so to elevate the profession overall and establish a high standard of excellence in promoting, supporting or contributing to interscholastic athletics.
