“Coaching Philosophy – A Prerequisite for Success”

By Steve Porter  MHSCA President, MITCA Public Relations, Track and Cross Country coach at Milan High School.

Does your program have a philosophy? Do you have a coaching philosophy?

A Philosophy …
- is what you believe in all the time.
- is a firm conviction of what you say and do.
- is what you say which is validated by what you do.
- must focus on excellence, teaching, learning, and individual development.
- is what you and your program are known for.
- must be emphasized every day.
- must be implemented with an educational focus.
- has a lifelong effect on kids.

At Milan our kids hear about the program’s philosophy daily. “Doing the right thing first, the first things right . . . and doing it that way each and every day” sums up what we try to emphasize. Your program is your philosophy, your brand on the sport. I’d like to share a few of the more important components related to philosophy and the development of a successful program. I’m sure you can find many other important areas that help drive your program to higher levels of success.

Excellence

Excellence is a model that drives our program every day as reflected through our five key quotes.
- Every day is a great day.
- Don’t waste a heartbeat.
- Goal oriented people find ways.
- We go with goal oriented people.
- Extra effort is the key to success.

Excellence – Offer It, and you will get it. Emphasize it, and you will get more of it. Measure it, and you will get more sooner and at a higher level.

Individual training as motivation. Training is the most important thing we do (in track and cross country) and is emphasized every day. Training must be structured and progressive. Our training has a Spartan component. “When it’s to (hot, cold, rainy, etc.) for them it just right for us. “The fun begins when the hard work starts”. When you go into competition you take all your training and key experiences with you.

Educational Focus – Your program is driven by what you say and do. Your program is driven by what you teach, how you teach, and what you demand in return. Every athlete should have the opportunity to be the very best they can be. Teach work ethic, goal character, and to do things on your own. A coach must be an educator all the time. Knowledge – get it, learn it, use it.

I hope you can find something here that reinforces what you do as a coach. I hope you can find one new idea or quote that you can use in your program.

Thanks to the following coaches that helped develop my coaching philosophy:

Sid Wright … Ypsilanti Lincoln Track and Field
Mike Jones … Eastern Michigan Swimming
Marshall Sellers . . . Clark, WY  founder of the PAAVO Training System
Rich Tompkins . .  Fremont Track and Cross Country
Gordie Aldrich . .  Alma College Track and Cross Country
Rick Weinheimer . . . Columbus North, IN Track and Cross Country

Greetings from the Land of Lincoln, Illinois, the host state of the 2017 National High School Athletic Coaches Association Annual Convention and Meeting. I apologize for this Newsletter being a little late. I was swamped at the end of April and May and I did want to finalize some convention information prior to sending this out.

Dave and Sara Kinney have been doing an outstanding job of chairing the Illinois Local Organizing Committee. Dave works right in the heart of downtown Peoria and has many connections that have been very helpful. We feel we will have a very enjoyable environment for the convention and the experience will be very positive for everyone.

We have been able to schedule college or very successful high school coaches to supplement the outbreak session. We have also worked very hard to bring in coaches from Illinois and neighboring states to be able to listen and learn from some outstanding coaches from a variety of sports under one roof. The value attached to this is significant. Virtually every high school and junior high school coach in Illinois has been contacted with over 10,000 emails sent with information about the convention and the speakers.

The Coach of the Year Hall of Fame Social. Members of the Board of Directors, Coach of the Year Finalist, Hall of Fame Inductees and their guests are invited to this social that will take place in the Atrium of the Embassy Suites. Drinks and hors d’oeuvres will be provided compliments of the Embassy Suites for guests of the hotel. Arrangements have been made for attendees not staying at the Embassy Suites. Anyone not staying at the Embassy Suite can see Dannell Dougherty for a ticket. Partial sponsorship for this social is provided by the 2017 NHSACA Convention Committee.

I want to give a special thanks to our Local Organizing Committee, co-chaired by Dave and Sara Kinney. They have done a superior job in getting things put in order. Their local contacts have been invaluable. Other members of the committee are Brian Murphy, Rich Montgomery, Lynn Thompson, Jim Caliendo and Dan Cliffe. I truly appreciate their efforts to help put Illinois’ best foot forward at this convention.

See you all in East Peoria.

Respectfully,

Joe Cliffe

I would define her as having a lot of finesse on the mound.” Beaubien has maintained a weighted 4.71 GPA in the classroom. She has signed a national letter of intent to play softball on scholarship at the University of Michigan beginning this fall.
